# Winter Sunday Beginners

**Somewhere for true beginners to start!**

- ✓ Can walk as slow as you like - perfect for the very unfit & overweight!
- ✓ Start with only 30 minutes out, then turn around and back.
- ✓ Do your own pace on the same course, no need to keep up with anyone.
- ✓ Normally 3-4pm on a Sunday, so most of the weekend is still yours.
- ✓ Your first three walks are free, only \$52 annual Club Membership after that.
- ✓ Get yourself fit before joining Summer sports, Trout Fly or Running Clinics.
- ✓ Off-road DOC track under the trees, so peaceful, cool and enjoyable.

- ✓ Enjoy meeting others that are starting out and puffing just as hard as you!
- ✓ Open to men, ladies, teens, children over 8yrs (must be with guardian).
