LAKE CITY ATHLETIC CLUB CHILDRENS CHAMPIONSHIPS:

These are to be held on 7th, 14th and 21st March at the stadium. Depending on numbers participating and on the weather, the championships may not need to be held on the 21st March. Remember if you wish to participate, Lake City singlet with flash sewn on and regulation black shorts to be worn. If you want more precise information refer to the Lake City Website

PRIZE GIVING:

The date for Prize giving is to be advised once championships are over. PLEASE if you have a trophy or trophies to return please bring to Tuesday club night at the stadium. Or email lakecityca@gmail.com to arrange a day & time and a convenient place to collect from you.

AWBOP CHILDRENS CHAMPIONSHIPS:

Entries have now closed and been posted to the AWBOP Secretary. Lake City entries this year were up to nearly 20 entrants. Best of luck to all the children who have entered, give it heaps and have as much fun as the ones that entered the Colgate Games.

Thanks Rebecca Howard for being Team Manager. We expect Rebecca to be given assistance from parents of Lake City children who have entered. There is also a request from AWBOP for parents to bring a plate of food to share with other entrants and their families as well as help with events

ANZ NATIONAL CHAMPS, HAMILTON:

Volunteers are requested to help man the gates for the ANZ National Champs being held in Hamilton, Fri, Sat, Sun 17-19 March.

How about volunteering some time and then going into the ground to see top NZ athletes in action - Eliza McCartney and pole vault, Tom Walsh and shot put, possibly Liam Malone running on his blades?

The hours are:

Friday 7.30a.m. - 5.30-6 p.m.

Saturday 7.30 a.m. - 4.30 p.m.

Sunday 7.30 a.m. - 2 p.m.

There are two gates that need to be manned:

Gate One for the public - 4-5 people needed per time for cash sales and to operate two Eftpos machines

Gate Two for coaches, officials and athletes - 2 people needed to check for identification, evidence of passes

Those volunteering are not required to spend the whole day manning the gate, as long as there are people rostered to cover the gates throughout the day, then all offers for help will be appreciated

Those offering to do longer periods will have lunch passes given to them.

Please send your response to Margaret Holcroft via email: fmmr.holcroft@xtra.co.nz

or txt her on 0276319535 . Please advise AWBOP officials of your intention.

RIBBON DAYS:

Regulation Lake City singlets can still be bought at the stadium. Or if you go on-line www.lakecity.co.nz to find out who to contact to purchase one. Please note due to increase in the manufacturers cost, they're now \$20 each from Dec 1 2016.

CANCELLATIONS:

A reminder that club night cancellations are made from 1 p.m. on the day and placed on the Lake City Face Book page. It is a hard call to make, and not done lightly, so we all need to respect & accept the decision made.

END OF SUMMER SEASON:

The last night at the stadium for the summer season is on March 21 which will lead into the beginning of the winter season. See website for winter season events if interested.

Best wishes from Sarah, Jessica, and the Lake City Children's Athletics Team:

We're all volunteers that are passionate about encouraging children's participation in athletics. An increased number of helpers means each activity runs smoothly, safely and is more enjoyable to all the children. We would love to have your help next season. There are many varied roles, on the night and behind the scenes. If interested please email lakecityca@gmail.com so we can give you an outline of roles,

Hope you have all enjoyed the summer season. We look forward to you all coming back.
