GUFF SHEET

10 April 2021

The past week

Monday evening the children's prize giving was held in the Energy Events Centre with a great attendance. Head to the children's face book page to view the photos taken. Below is a list of those that received awards on the evening.

Many in the distance running sections of the Club are increasing the time on their feet during the week and weekends in preparation for one of the events on offer on 8 May – Rotorua Marathon Day.

Cooper Simes, Jack Marra, Manaia Christiansen, Harrison Roberts-Brake and Connor Marra from the children's section were selected to represent Athletics Waikato BOP at the grade 12/13 Interprovincial at Palmerston North over Easter weekend. This is a team's competition of 40 athletes with teams from the various New Zealand Athletic Centers taking part. Each team member has to take part in a cross selection of events - 4 in total with a maximum of 3 track or 3 field events. Team results are currently unknown. There is no doubt that the Club lads would have contributed to the team with some great performances.

Now to a bit of history on the event: this competition was hosted Easter 1983 for the first time in the Waikato Athletics Centre, by Athletics Waikato and the Rotorua Athletic Club (now the Lake City club) on the grass track at Smallbone Park. There was no such thing as computers in those days. All the times/distances were manually recorded and then checked against the respective scoring tables and converted to the respective discipline's points: recorded on each Center's team sheet and added up to get the teams placings.

The Club's winter season activities

What is the winter season about you may be asking?

The earlier winter months are cross-country time with events taking place on farmland, reserves, and in the Redwoods. The later months is the road season to help get us ready for relay events. Relay events are a great way for all club members to be part of a team and build camaraderie.

These activities that have variety and adventure take place mainly on Saturday afternoons. Some may be Sunday mornings or an evening during the week. Activities other than Saturday are to allow child members that play their sports on Saturdays the chance to take part in our events as well as their parents. When there is no Sunday event listed the customary pack/group runs, in the main, leave from the Neil Hunt club rooms between 7.00am and 8.00am. Likewise, members organising midweek training runs usually on a Tuesday or Thursday evening leave from the same venue.

The winter committee has come up with a programme that has some new events as well as the old. There are even weekday evening events! The programme is in the final stages of being collated.

The winter months are most enjoyable. Don't be afraid to come and give some or all of the events a go! The first event kicks off Saturday 1 May but if you want a weekly event before then head off to the Saturday morning (8.00am) 5km Puarenga Park run. Visit www.parkrun.co.nz for details, registration etc.

Coach development workshop

This workshop is being held on 23 May 2021 (9.00am to 5.00pm) at Cambridge – venue to be advise. If interested please contact Louise Young, Athletics Waikato BOP Development officer on 021 1254 228 or email louisey@athleticswbop.org.nz
